

Introduction

Welcome

With a new season fast approaching we want to extend a warm welcome to everyone, here's looking forward to enjoying another successful season. A special welcome to any new members who are joining our Club, we hope this is the start of a long and happy time with us. We are very excited about how the Club is growing and developing, and we look forward to working with you all to ensure our Club is the best in the country both on and off the court.

We are always looking for more ways for people to get involved with the running of the Club, it's your Club so let us know what you can do to help. Examples of what you can do are anything from helping with the tuck shop on match days, learning to be a table official for games, videoing games for the coaches, giving lifts to other players, persuading your employer to be a sponsor or just coming along and cheering the teams on. Perhaps you might have specialist skills that would be helpful in the running of such a large Club. You name it there will be a place for you!

We continue to look for volunteers to help with our fundraising activities. This will once again be led by Kara Lodge, please email Kara at karagillies1990@msn.com if you are interested in getting involved.

Our sources of income are primarily subscriptions and fundraising, so please continue to give the club your support over the coming season in any fundraising activities. As we face increasing costs it is vital that we can depend on everyone getting involved in all our fundraising.

ALL :

Once you have paid the basketballscotland membership fee, the Club will be informed and we will then process your membership of the Club. You will receive a welcome email and the relevant invoices that allow you to pay your fees to join the Club. Please note that all outstanding debts must be settled before a new season's membership will be processed.

Payments can be made in full at the start of the season or paid in installments by standing order.

All installment payments must be completed by the payment date on the invoice.

The standing order payment option is not open to Jnr WNBA members.

We remain committed to allowing everyone to participate in basketball regardless of their financial circumstances. Anyone who faces genuine financial hardship that would mean that they were not able to join the Club should apply by email to the committee (cityofedinburgh@gmail.com) to request a reduction in their fees. All requests will be dealt with in confidence and each case will be decided on a case by case basis.

Gift Aid

City of Edinburgh Basketball Club is a charity registered in Scotland (<http://www.oscr.org.uk/>) and is registered as a charity with HMRC. One of the benefits of this is that it allows us to claim Gift Aid back on any donations made to the Club.

When you register, please also complete a Gift Aid form available here [Policies & Forms « City of Edinburgh Basketball CLUB](#). This should be completed by a tax payer, so for example if you are paying for your child's fees and one parent is a tax payer and the other is not then it should be completed by the parent who is a tax payer.

If in agreement, each eligible player / parent should sign a Gift Aid declaration which allows City of Edinburgh Basketball Club to reclaim Gift Aid on the donation element of the monthly / annual payment.

More information on Gift Aid can be found at <https://www.gov.uk/claim-gift-aid/gift-aid-declarations>
